

Due to the SC Governor's lifting of some restrictions, we are now allowed to permit cart sharing. **Cart sharing will be allowed starting on Saturday May 16th, on a voluntary basis. And foursomes will now be permitted 7 days a week.** We do still expect to run out of carts on busy days. **Therefore, we will only permit a maximum of 3 carts, per group.** This will allow us to keep up with demand for golf carts. Remember that walking is always permitted and encouraged. And, we do have additional push carts available for rent or purchase, while playing.

We apologize in advance for any inconvenience as we continue to work in accordance with all government requirements and guidelines. Email updates will be sent out to notify of changes to our operations and schedule.

Stay Safe!

Sincerely,

Mike Benner, PGA  
General Manager

**In an effort to provide services as efficiently as possible, we will continue with the following policies for golf:**

- 1.) We will limit groups to a maximum of 3 carts, per group.** This is to control the number of carts on the course, and as a result, provide carts to all of our members as efficiently as possible.
- 2.) Groups of 4 will be permitted on the course, 7 days per week.** Availability of tee-times and golf carts may be reduced in an effort to accommodate play. Please call the golf shop to request a tee-time and please specify the exact number of players in your group and the number of players who intend to ride solo, so we can prepare accordingly.

Remember that walking is always permitted and encouraged. We are requesting anyone capable and willing to walk when playing, to do so. And, we now have additional push carts available for rent or purchase, while playing.

**REMINDER: SOCIAL DISTANCING RULES ARE STILL IN EFFECT!**

We must remind everyone to follow proper social distancing practices by maintaining at least 6 feet of space from others, as well as practicing good/safe hygiene.

And, please limit indoor access to the Clubhouse to essential needs only. We apologize in advance for any inconvenience as we continue to work in accordance with all government mandates and guidelines.

Sincerely,

Mike Benner, PGA  
General Manager

**REMEMBER TO TAKE ACTIONS  
to prevent the spread of viruses:**

- *Avoid close contact with sick people.*
- *While sick, limit contact with others as much as possible.*
- *Stay home if you are sick.*
- *Cover your nose and mouth when you cough or sneeze.*
- *Avoid touching your eyes, nose and mouth with unwashed hands; germs spread this way.*
- *Clean and disinfect surfaces and objects that may be contaminated with germs.*
- *Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand rub with at least 60% alcohol.*
