

## COVID-19 - TEMPORARY POOL RULES

The POOL is now open with limited access. There are several new DHEC requirements outlining the ability for pools to open and operate during the COVID-19 outbreak. The Club has hired Connor Roudabush as the Pool Supervisor. He will be in charge of pool operations and ensure compliance with DHEC regulations, as well as oversee Sweetwater Pool Management. Please pay close attention to the new rules and requirements below, so that you are informed and aware of how we will manage the pool to maintain compliance. This is a fluid situation and our rules and requirements may change. The Club will send out periodic emails to notify of any changes to our schedule or policy.
